

SENIOR PORTRAITS

In order to be pictured in the yearbook, 2009 senior portraits are due on **Friday, December 4, 2009** in Room 215 (Journalism).

We would suggest scheduling your photo shoot with a photographer before school starts, so you will have plenty of time to select and order your photos before the deadline.

We would prefer to have your image electronically. Please send the file in JPEG format and name it with the student's first and last name. Please send your file to: luetjen@usd437.net

If you would like to submit your portrait as a print, please follow these guidelines: Journalism will need **two copies** of the same vertical portrait (wallet size, please). We ask for two copies because we send one to Jostens, and we hold onto one in case Jostens loses the first one (believe me, it's happened).

...just a little advice:

We recommend that you select a senior portrait that is a vertical "head & shoulders" shot for the yearbook. It is much easier to really see the student because the "head & shoulder" shot is literally just their head and shoulders!

Full-body shots are great to trade with friends, but if you put that type of photo in the yearbook, your friends won't be able to see you, because you are too far away.

Don't forget that we only accept vertical portraits for the senior color pages.

Please be sure to select a photo that is school-appropriate and follows the WRHS student dress code policy.

Finally, many local photographers offer to send your senior portrait to the high school. Please make sure that they do this before the deadline! We have had problems receiving some photos in the past, so please double-check with the photographer to make sure they have sent the correct photo and that it's on time.

Please note: We will post a list of all the seniors who **HAVE** turned in portraits after December 4th. This list will be posted outside the

Counseling Office and announcements will be made. Seniors are responsible for checking that list to make sure portraits have been delivered and received by the yearbook staff. We cannot be responsible if your photographer does not mail/send your photo, so please double-check!

If you have any questions, please don't hesitate to contact the WRHS Journalism Department at 339-4252.
